## MESSAGE FROM THE BOARD

Fall is right around the corner and we are gearing up for another great Fall at OGC. The golf course is in wonderful condition and the cooler temps will offer some of the best playing conditions all year. With the arrival of Fall comes the start of Fall sports. We hope to see you out at the club cheering on your favorite teams.

The Board of Directors has been working closely with the Course Preservation Committee and the Clubhouse Committee on finalizing proposals for fund requests from the Foundation Board. The first project the Course Preservation Committee plans to tackle is a renovation to Hole 14. The primary goal of this project is to open up playing corridors with some tree removal and dirt work to make the hole more playble for all skill levels. The first project for the Clubhouse Committee will be transforming the women's locker room into a more functional restroom space along with creating space to house a golf simulator. Stay tuned for updates on these projects throughout the Fall.

We are extremely honored to be hosting the Nebraska Senior Match Play Championship for the Nebraska Golf Association September 18th-20th. The opportunity to host NGA championships is a testament to the quality of our club and should be a sense of pride for all members. Make sure to come out and cheer on your fellow members competing in the championship.

We look forward to seeing you all out at OGC!
