## MESSAGE FROM THE BOARD

The golf season may be winding down, but there is still plenty of time for fun at OGC in 2024. We hope everyone enjoyed the brunch and Halloween Cart & Candy on Sunday. Be on the lookout in your email and on the club Facebook page for future upcoming events. Our next holiday-themed event is the Turkey Bowling on Wednesday, November 27th.

As a board, we would like to give some updates on the projects taking place in the clubhouse and on the golf course. Project updates are listed on the second page of the newsletter. Please feel free to reach out to a board member with any additional questions regarding these projects.

As many of you know, our Bar Manager Amy Krutilek recently underwent knee surgery. Please join us in wishing her a speedy recovery. In her absence, Friday's and Saturday's in November have been a challenge to fill her usual shifts. We ask for your understanding that there will be some flexible lounge hours on those days in November until we are back to being fully staffed. Please check emails, Facebook or call the clubhouse for updates during this time.

Our "Paving the Way to 100 Years" fundraiser was a great event last month. We want to thank all who attended and donated. We'd also like to thank all volunteers, especially Donna Preston for making such a large batch of her famous fried chicken. Pavers are still available and sheets are available in the clubhouse.

There is still time to pay your 2025 dues before November 1st and receive \$50 pro shop credit!

## FOUNDATION PROJECT UPDATES

The demo work downstairs in what was formerly the women's locker room is nearly complete. Special thank you to everyone that contributed to the demo work. That area is being transformed into four individual restroom suites and a golf simulator studio. The plan is to try to have simulator room open by January 1st so it can be utilized this winter. Be on the lookout for updates as we are finalizing member and guest pricing for simulator time and working on ideas for winter leagues.

Tree and barn removal from the hillside on hole 14 is scheduled to take place sometime in November. Once the hillside is cleared, the out of bounds posts will be moved up the hill to create a wider playing corridor, The hillside will be seeded with grass in the spring and mowed at our standard roughs height in the future.
